AT&T UID #: _____ Effective Date: ____/____/____

I authorize and direct DIRECTV LLC to deduct from my pay, beginning with the first pay period, monthly union dues or service fees in the amount of forty dollars (\$40) until the effective date that DIRECTV LLC enrolls me in its "eLink" payroll system. Beginning with the first pay period in 2017, I hereby authorize and direct DIRECTV LLC to deduct from my pay the difference between the forty dollars (\$40) per month collected in accordance with this agreement and the amount of dues customarily charged by the Local Union to which I belong until my dues are current.

Once I am enrolled in DIRECTV LLC's "eLink" system, I hereby authorize and direct DIRECTV LLC to deduct monthly Union dues or service fees in the amount customarily charged by the Local Union to which I belong in addition to the amounts referred to above.

If the above sums cannot be deducted from my pay because the amount due me for the period designated is insufficient, you are directed to deduct such sums from my pay for the next deduction payroll period during which my pay is sufficient therefore.

This authorization supersedes any previous authorization for payroll deduction for Union dues, which I have heretofore given. Cancellation of this authorization shall be submitted to the Company in writing, signed by the employee.
